Staples keeps businesses running smoothly, gives students the tools they need to excel in the classroom, and keeps households organized with products such as [office supplies](#), furniture, and electronic goods. Enjoy the convenience of online shopping, visit a nearby store to check out [office chairs](#), or use the Staples app to explore our entire selection from almost anywhere.

The products and services available at Staples extend beyond office basics such as paper, [ink and toner](#), and [business cards](#). Satisfy employee food cravings with snacks and beverages. Stock a break room or kitchen with paper products and cleaning supplies. Browsers can find system furniture, storage solutions, and [computer desks](#) that fit any office, and shoppers enjoy updating rooms with attractive sofas, tables, and lamps.

Staples offers a broad range of business services. Simplify computer management with a service plan or let technicians fix a broken phone or tablet. Custom business cards, invitations, or presentations can be printed online for in-store collection. It's easy to send packages using in-store shipping services or reach out to customers with a direct mail plan.
